PROJECT PLANS

WHY A NEW POOL?

- The current pool has exceeded its life expectancy
- Requires annual repairs just to open/fill
- Requires annual upgrades and maintenance to obtain an operating permit
- No long term stability; breakdowns and external conditions can change the status on a daily basis

DESIGN CONSIDERATIONS

- Cost
- Public Health Regulations
- Space
- Long term viability

PROJECT TIMELINE

- Winter 2010 - Design Phase
- Fall 2010 - Demolition
- Spring 2011 - Reconstruction
- Mid 2011 - Completion
